

# Walk on the Wild Side

Join author Tom Wessels in  
**READING THE  
FORESTED LANDSCAPE**  
of Bow Wow Woods  
**Sunday, Sept. 25 1pm**

**Author and ecologist Tom Wessels** will lead a walk interpreting the forest history of Bow Wow Woods. Wessels is professor emeritus at Antioch University, where he founded the master's degree program in conservation biology. He is the author of six books, including *Reading the Forested Landscape: A Natural History of New England* and *New England's Roadside Ecology: Explore 30 of the Region's Unique Natural Areas*, and has conducted workshops on ecology and sustainability throughout the country for over three decades.

**Bow Wow Woods** was recently acquired by Greenagers and will soon be protected by a conservation restriction to be held by the Egremont and Sheffield land trusts.

**The walk** will start at Bow Wow Rd., just off Route 41, and follow the property's old logging roads. Good shoes and long pants are advised! Please park at Greenagers' headquarters, just up the road at 62 Undermountain Rd. (Route 41) in South Egremont. There will be cider and seasonal refreshments, and we'll be running a van shuttle to the walk site. Please arrive early so the walk can start on time. RSVPs requested but not required: [shefland@bcn.net](mailto:shefland@bcn.net) or 413-644-9090.
